

EAST MILLS COVID-19 GUIDELINES 2022-2023

The East Mills "Return to Learn Plan" has evolved over the last year with one goal in mind - safety. The health and safety of all students, teachers and staff is of the utmost importance, and we will remain responsive to that as we move forward. As we all work together, we feel confident we can safely have students in school this year. Together, we will help all students have a productive and successful 2022-2023 school year.
